Mansion House Surgery

Advanced Nurse Practitioner

Sally Marsden

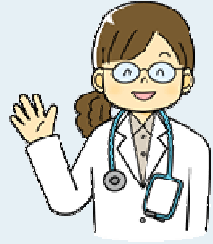

Claire Gray

Richard Taylor

have been appointed as our
Advanced Nurse Practitioners

An Advanced Nurse
Practitioner is a Registered
Nurse who has undertaken
additional university training
at degree or masters level.

The Role provides an
alternative and
complimentary source of
primary healthcare alongside
services traditionally
provided by a General
Practitioner.

Advanced Nurse Practitioner Role

The role combines advanced nursing skills with clinical, diagnostic and treatment skills.

They have a prescribing qualification and are able to prescribe within their own clearly defined remit.

Advanced Nurse Practitioners are able to improve access to the surgery by providing **Minor Illness Clinics**. These appointments release at **8am for the next day for children and two days in advance for adults (18+)**

The ANP provides complete episodes of care for patients of any age and with a wide variety and range of presenting
